Cautions:

1. The law restricts this device to be sold by or on the order of a physician.
2. Store in clean dry conditions away from heat and light.
3. Patient should be monitored constantly whenever this device is in use.
4. For single patient use only. Re-use can result in cross-infection. Do not soak, rinse, wash, or sterilize this product. These procedures may leave harmful residues on the mask.
5. Destroy this device after use.

Usage instruction:

1. Check for clear airflow passage prior to use.
2. Connect to breathing circuit or resuscitation device with appropriate fitting.
3. Make sure all connections are compatible and fit firmly.
4. Hand-hold or secure with head strap.

Warning:

1. The product should be placed in a dry and clean place and sealed conditions.
2. The operator should be trained and know the skill in CPR resuscitation.
